## Parish Plan

**Little Compton needs to produce a Parish Plan, the Village Design Statement is now over 15 years old and we need to think about our community going forward.**

### What is a Parish Plan?

- a statement of how the community of Little Compton sees itself developing over the next few years
- it identifies what actions are needed to achieve this

“Everybody in Little Compton should have the opportunity to discuss issues affecting our community”

### Who should be involved?

- Everyone who lives or works or plays some part in Little Compton’s Community
- Everyone who has an impact on what goes on in Little Compton’s Community
- Everyone in Little Compton’s Community

“The Parish Plan belongs to the Community of Little Compton”

### What do we need?

- A Steering Committee

“This will be chaired by the Parish Council”

### Who should join this Steering Committee?

- Anyone who can or wants to contribute to the production of the Parish Plan

“Parish Council will select the committee and set up “working Groups” to deal with individual issues”

### What happens next?

**Attend the Annual Parish Meeting this Monday 18<sup>th</sup> March 2013 at 7pm at which Sarah**

**Brooke-Taylor will present an introduction to Parish Plans and Housing Needs in the community.**
