Little Rollright and Salford

Dear Friends,

As part of a week of great events across the North Cotswolds under the banner of 'Exploring Life', on **Saturday, 14th July** on the Common in Chippy (just behind the recreation ground on Worcester Road), we're laying on a **Fun Day**. Everything there will be free (including a Hog Roast and BBQ, live music, family portraits, c.v. writing, soft play, bouncy castle, and even inflatable Gladiator contests with 'Ace' from the 1990's hit TV show 'Gladiator'). Why are we offering it all for free? Because we want to model something different...

While all around us, locally, nationally and internationally, we see the consequences of the contemporary world's ever-growing obsession with serving and safeguarding the interests of 'self', generating rising mistrust and even hatred towards anyone who doesn't share our particular personal agendas, we want to buck the trend and model something more positive.

Whatever you may think about Jesus, you can't miss the way that he constantly calls us to lift our eyes and recognise that there is a bigger, better and infinitely more fulfilling reality for us to embrace. He gave himself freely for our rescue, and in response he urges us to step into the joy of living differently - giving ourselves freely to those who are in need around us; spreading joy in our wake instead of fear. So that's what we're trying to do...

Whatever else you may be doing this month, if you can, please do come and join us and join the fun!

With every blessing, James

*"A new command I give you: Love one another. As I have loved you, so you must love one another."* John 13:34

#### **Little Compton Village Summer Party – 14th July – CANCELLED**

We have regrettably had to cancel this party as there was insufficient interest from residents in the village. We were hoping for a fun get together for the whole village with a jazz band in the church in the evening. We sincerely hope that we can inspire people to take more interest in future social and fund-raising events.
